O R D E R :

The Vice-Chancellor (FAC), Dr.Y.S.R Horticultural University, Venkatramannagudem, West Godavari District in his letters read above has stated that consequent to state bifurcation, the Andhra Pradesh has lost research centers on vegetables and flowers at Rajendranagar (Hyderabad) to Telangana state and as of now there is no research centre under Dr. YSRHU working either on vegetables or flowers. This necessitates initiation of research on vegetables and flowers in Andhra Pradesh and such research Station if established can cater to the needs of both vegetable and flower growers of Rayalaseema region in particular and of the Andhra Pradesh in general. The production and productivity of horticultural crops supported by research backup are expected to increase and contribute to socio-economic development of the farmers in this region.
